DISCOUNT PLATEAUS & DISCOUNT CODES

Diamond sells products according to the Discount Plateaus set forth below. Diamond also represents Dark Horse Comics and Image Comics as a Sales Agent, enabling each company to set their own discounts to retailers. Note that purchases of Dark Horse Comics and Image Comics do count towards Diamond's Discount Plateaus.

Minimum Order: To order from Diamond, you must maintain a minimum monthly order of \$425. Net Cost items may be included in your total to meet this minimum.

To calculate your costs, simply use the Discount Codes outlined below for Diamond and each company Diamond represents. Each item has a discount code that can be calculated from your Standard Discount. When items ordered from our monthly *PREVIEWS* catalog ship, they are invoiced according to the Standard Discount listed on the account when that order was placed. Retailers may view their Standard Discount on the Account Overview page on the Retailer Services website.

DIAMOND STANDARD DISCOUNT & DISCOUNT CODES			
 Diamond Comic Distributors, Inc.			
* STANDARD DISCOUNT Diamond set longtime retailers' Standard Diamond Discount at the average earned discount achieved from February 2006 to July 2006. Newer accounts receive a Standard Diamond Discount based upon their estimated <i>PREVIEWS</i> order average. Please contact Diamond Retailer Services with any questions you may have.

Products ordered under the Diamond Comic Distributors Terms of Sale with a D discount will be invoiced at the following discounts. Discounts will be calculated on a quarterly basis and will be based on the total of the prior 12 months' product invoicing.	
Total Diamond Product Invoicing For Prior 12 Months	Discount Off Retail
\$360,000 and over	50%
\$180,000 to \$359,999.99	48%

\$60,000 to \$119,999.99	44%
Below \$60,000	40%
While Diamond develops reporting tools to help retailers anticipate their discount prior to any change, discounts will not be reduced from their current level.	

REORDER DISCOUNTS

Orders for products placed outside the monthly *PREVIEWS* Order Form or weekly FOC process will be invoiced at the retailers' discounts at the time the order is placed and may be subject to a 3% reorder charge (or will be invoiced at the lowest Standard Discount if a *PREVIEWS* Order was not placed on time in the previous month.) The minimum reorder discount for items with a Discount Code of D,V,E,F,G, or H is 35%. For reorders on most products from Dark Horse Comics and Image Comics, there is no reorder charge. For more complete details, see each company's Terms of Sale.

MULTI-STORE DISCOUNTS

The retail totals of *PREVIEWS* Order Forms placed by individual stores which are part of a multi-store chain under common majority ownership are combined for purposes of discount calculation.

1. PAGE NUMBER:

The page on which the item may be found in the corresponding month's **PREVIEWS** catalog.

2. PREVIEWS ORDER FORM ABBREVIATIONS:

Certain designations which usually appear throughout **PREVIEWS** have been abbreviated in this column or within the title's line listing:

(A) Adult Material	Net Net Cost
BL PREVIEWS Backlist	Note Price ... Signals an increase in price
GEM Gem of the Month	NTD Offered Online in New to Order

3. DISCOUNT CODE:

This code signifies the maximum discount allowed on that item. Please see the Discount Plateaus and Discount Codes Page in this booklet for further instructions.

4. CAUTION DISCLAIMERS:

Some items vary from the Comic Book Specialty Market's standard shipping cycle or may feature tentative information. Diamond uses a three-digit system to indicate such variations, with each digit reflecting a different potential caution, and each Caution Code following this pattern: (C: #-#-#).

INTERNATIONAL RESTRICTIONS (first Caution Code digit) reflect a product's international restrictions:

- 0: Product has no international restrictions
- 1: Product has international restrictions

CONTENT CHANGES (second Caution Code digit) indicate whether or not the product's contents are subject to change.

- 0: Product has no potential content changes
- 1: Product has potential content changes

SHIPPING ADVISORIES (third Caution Code digit): EST SHIP DATE is the publisher's estimated in-store date for this item. This Caution Code digit alerts retailers to any shipping advisories assigned to a product.

- 0: Item is expected to ship within 30 days of the EST SHIP DATE.
- 1: Item is expected to ship within 60 days of the EST SHIP DATE.
- 2: Item is expected to ship within 90 days of the EST SHIP DATE.

5. ESTIMATED SHIP DATE:

This date represents the publisher's estimated in store date for this item. The listing of this date does not, however, guarantee that the item will ship on this date; it is simply the vendor's best estimate for shipping.

6. FINAL ORDER CUTOFF/ORDER INCREASE DATE:

The Retailer Order Form lists Final Order Cutoff (FOC) and Order Increase Cutoff (OIC) deadline dates for most major comics publishers. Any orders placed before this date (based on when a publisher sets their print runs) will almost certainly be filled from your Distribution Center with your original orders. Dates are subject to change. Please see Diamond Online's Retailer Services Area under Data Files for recent shipping updates or read Diamond Dateline for the most up-to-date shipping information.
